

Company profile

Chori is a multifaceted specialized trading company of textiles, chemicals, and machineries founded in the Nishijin district of Kyoto, Japan in 1861. We have developed a business network that centers on China and the ASEAN region and operate our business across the globe. Chori has expanded its operations beyond trading and delivered high-value-added products while constantly addressing the needs of customers and society. Looking ahead, we will become a corporate group that continues to evolve and change on a global scale, underpinned by its exceptional capabilities and expertise, and further enhance its corporate value.
