

Market: Tokyo

Stock Code : 4005

ISIN: JP3401400001

Industry: Chemicals

Sumitomo Chemical is one of Japan's leading chemical companies, offering a diverse range of products globally in the fields of essential chemicals & plastics, energy and functional materials, IT-related chemicals and materials, health and crop science products, and pharmaceuticals.

"We must not merely seek business profits but must contribute broadly to society through our business activities."-Sumitomo Chemical, founded in 1913 with the dual goals of eliminating pollution and helping increase crop yields, has upheld this founding principle as it has evolved in keeping with the changing times.

At present, the Sumitomo Chemical Group, including over 100 subsidiaries and affiliates with over 34,000 employees, provides products worldwide that support a wide variety of industries and help people's daily lives.

We at Sumitomo Chemical will continue to contribute to solving problems facing with the global community in areas such as resources, energy, food, and the environment by capitalizing on our technological prowess.
