

Atria is one of the leading meat and food companies in Northern Europe. In 2023, Atria celebrates its food journey that began 120 years ago in Finnish family farms and whose recipe will last for generations to come: Good food - better mood.

Atria's renewal and growth are based on excellent commercial expertise and an efficient and responsible way of working. Our main product, good food, is a source of enjoyment and joy, and also creates sustainable value for all of our stakeholders.

In 2023, our net sales were approximately EUR 1.8 billion, and Atria had around 3,900 employees in Finland, Sweden, Denmark and Estonia. Atria Plc's shares have been listed on the Nasdaq Helsinki since 1991.
