Helping people and organisations make the most of their data

Our world is built on data. At Experian, we work to turn that data into something meaningful. We gather, analyse, combine and process it to help people and organisations achieve their goals – whether that means planning for a secure future or getting to know your customers better.

For businesses

We help businesses provide great customer experiences by managing and analysing data that will help them solve problems, drive better decisions and outcomes, and prevent fraud.

For consumers

We help millions of people in the USA, Brazil, UK, South Africa, India, Colombia and Peru to better manage and improve their financial position, and help them to protect against fraud and identify theft.
