National Marine Dredging Company - one of the Middle East's marine industry leaders.

Reputed for successfully completing noteworthy projects, we pride ourselves in providing flexible, cost-effective and on-time solutions for our valued clients everytime.

We have a strong reputation for delivering high quality projects and services, in addition to liaising closely with shareholders to produce the best possible outcomes for clients, staff and the environment.

Supported by an impressively large fleet of dredgers and support vessels, we have the professionalism and motivation to operate anywhere in the world, and the capability to overcome even the most challenging site conditions.

Through our concerted initiatives over the years, we have raised the industry benchmark and are today a respected name in our sphere of business.
