

Dometic’s mission is to make Mobile Living easy. It is all about providing products, solutions, and services that fulfill the needs and expectations of customers. Dometic is a global provider of products for outdoor, residential, and professional applications in the areas of Food & Beverage, Climate, Power & Control, and Other Applications. The Company's offering include mobile cooling, mobile cooking, mobile power, rest and storage solutions. Dometic serves customers worldwide.

Dometic contributes to a more sustainable world by enabling people to enjoy and explore nature – locally and more frequently. This is done by offering innovative, durable, low-carbon products that inspire an active, comfortable, and responsible life in the outdoors.

KEY REASONS TO INVEST IN DOMETIC

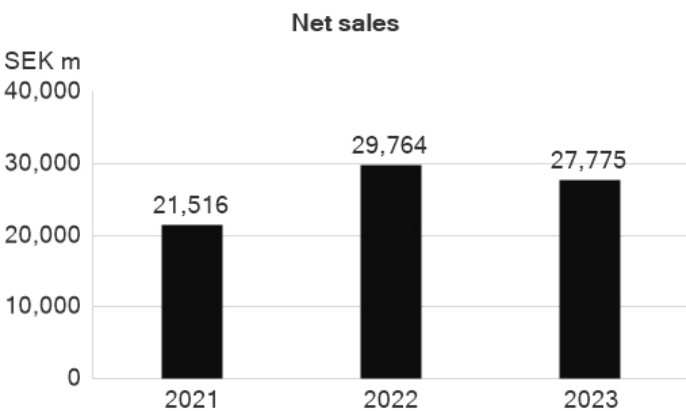

- Active on a market with long-term structural growth in mobile living.
- Growth and diversification strategy that creates improved stability.
- Industrialization of the company adds stability and supports improved margins.
- Dometic drives sustainability in its market.
- Clear and value-generating financial targets with an attractive dividend policy.
